EDUCATION

University of Michigan	Ann Arbor, MI
Master of Science in Information, User Experience Research and Design	August 2025 - May 2027
University of California, Santa Cruz	Santa Cruz, CA
Bachelor of Science in Cognitive Science	September 2021 - June 2025

WORK EXPERIENCE

OcuSciences	Ann Arbor, MI
User Experience Consultant	September 2026 - Present
- Identify personas and clinic workflows for OcuMet Beacon analysis software through customer interviews. - Inform UI/UX for report layout, metrics, and palettes used in chairside review and patient education. - Design a human-factors study protocol on reimbursement, EMR, image comparison, and training barriers.	
BuyMySpot	Remote
User Experience Design and Research Intern	May 2026 - July 2026
- Translated usability recommendations from a graduate UX research course into shipped refinements on the BuyMySpot platform. - Mapped and evaluated core listing, browsing, and transaction flows, ranking friction points into a prioritized backlog for the founding team.	
University of Michigan - Perot Jain TechLab for Healthtech	Ann Arbor, MI
User Experience Designer	January 2026 - Present
- Design the interface supporting GigXR's holographic XR applications for clinical training, on a cross-functional team of designers, engineers, and clinical advisors. - Translate clinical instructor workflows into interface requirements, cutting the steps needed to set up and run an XR training scenario.	
University of Michigan - School of Information	Ann Arbor, MI
UMSI Student Brand Ambassador	October 2025 - Present
Produce short-form video on student life, academics, and career development for UMSI's official channels, growing engagement with prospective and current students.	
Immergo Labs	Mountain View, CA
User Experience Research Intern	March 2024 - August 2024
- Conducted 100+ user interviews identifying pain points in Immergo's immersive physical therapy platform for patients and clinicians. - Synthesized interview data into prioritized insights and worked with engineers to implement changes that improved product usability.	
University of California, Santa Cruz - ASSIST Lab	Santa Cruz, CA
Research Assistant	October 2022 - October 2023
Supported experimental design and usability testing of a VR navigation platform for users with visual impairments, running sessions with sighted and low-vision participants.	

LEADERSHIP EXPERIENCE

University of Michigan - School of Information Master's Association	Ann Arbor, MI
Academic Support & Curriculum Committee Student Representative	October 2025 - Present
Represent student perspectives in committee meetings, advocating for changes to academic resources and course structure on behalf of the master's students.	
University of California, Santa Cruz - Women's Club Water Polo	Santa Cruz, CA
Social Chair	September 2022 - June 2025
Managed event logistics, the team's social budget, and partner communication across a full season of events.
